

**THE SURREY OPEN TEAM SQUASH TOURNAMENT
FOR PREP SCHOOLS
24th November 2013**

Four teams travelled to Epsom College to enter this prestigious tournament on 24th November, organised by Frankland Squash Matters Ltd, in association with Epsom College.

The teams arrived at Epsom College's fabulous Sports Complex on a crisp Sunday morning and were met by the tournament organiser, Neil Frankland who is the Director of Squash for Surrey.

Each team and their Manager registered at the Tournament Desk to receive their complimentary tournament T-shirt and were directed to the Squash Courts to prepare for the opening matches.

The strength of each team was excellent as always and all of the players showed impeccable etiquette and determination.

The tournament began at 10am with each team playing three matches each.

The Teams and results were as follows:

The winners were presented with the Tournament Cup and runners up with medals. The presentations were made by the Neil Frankland.

Neil Frankland commented that

“This is the 9th year that this Tournament has taken place and despite the reduced number of entries this year it was still a great tournament. The feed back is always positive and it’s fantastic to see such a high standard of School Squash at this time of year!”

It was suggested that the reduction in entries this year may be due to the tournament running on a Sunday which is a precious day of the week so Neil is considering running this tournament on a week day in 2014.
